

Callfor Participation

We invite you to join us in **8th International Conference on Internet of Things (CIoT 2026)**.

This conference serves as a premier global forum for presenting and exchanging the latest innovations, research findings, and advancements in the rapidly evolving field of the Internet of Things. As IoT technologies continue to transform industries, cities, healthcare, agriculture, and everyday life. CIoT 2026 provides a vital platform for researchers, practitioners, and industry experts to share knowledge, explore emerging trends, and discuss the challenges and opportunities shaping the future of connected systems.

Highlights of CIoT 2026 include:

- 13th International Conference on Signal, Image Processing and Multimedia (SPM 2026)
- 18th International Conference on Network and Communications Security (NCS 2026)
- 18th International Conference on Networks & Communications (NeTCoM 2026)
- 18th International Conference on Wireless & Mobile Networks (WiMoNe 2026)
- 8th International Conference on Machine Learning & Applications (CMLA 2026)
- 7th International Conference on Data Mining and Software Engineering (DMSE 2026)
- 7th International Conference on NLP & Big Data (NLPD 2026)
- 7th International Conference on AI, Machine Learning and Deep Learning (AIMLDL 2026)
- 13th International Conference on Computer Science, Engineering and Information Technology (CSEIT 2026)
- 18th International Conference on Applications of Graph Theory in Wireless Ad hoc Networks and Sensor Networks (GRAPH-HOC 2026)
